

RECOMMENDED TOOTHBRUSHES & FLOSSERS

Patient favorites selected by Highlands Ranch Dental Care

Choosing the right toothbrush can make your daily oral-care routine more comfortable and effective. Select the option you will use consistently, and always brush gently for two minutes, twice daily.

MANUAL TOOTHBRUSH

Nimbus® Microfine® Toothbrush

Extra-soft, tapered bristles gently clean along the gumline and between teeth. Regular, compact and children's sizes are available.

[BUY NIMBUS TOOTHBRUSHES](#)

ELECTRIC TOOTHBRUSHES

Philips Sonicare

Gentle sonic cleaning with a variety of models. We recommend choosing a model with a two-minute timer and pressure sensor.

[SHOP PHILIPS SONICARE](#)

BURST Sonic Toothbrush

Soft-bristled sonic toothbrushes with built-in timers and long battery life. Several models and colors are available.

Oral-B Electric Toothbrush

A small, round brush head makes it easier to clean one tooth at a time. We recommend a model with a pressure sensor and two-minute timer.

ELECTRIC FLOSSER

Slate Pro Electric Flosser

A rechargeable electric flosser combining woven floss, sonic vibration and gum sweeps. It also includes a tongue cleaner and multiple intensity settings.
